

# BRUNSWICK CHRISTIAN RECOVERY CENTER

Located in Brunswick County in the southeastern part of North Carolina, close to the Atlantic Ocean and on a quiet, rural campus surrounded by farmland, Brunswick Christian Recovery Center (BCRC) offers a 12 week *on-site* Christ based rehabilitation program designed specifically to help men suffering from the disease of alcohol and drug addiction.

The BCRC Ministry provides a safe haven for discovering the grace, mercy and love of Jesus Christ. It's a refuge for healing and change, for unsparing self-examination and boundless spiritual growth. It's a place where hope and love thrive and where honesty, kindness, generosity and positive thinking become a way of life. *Forgiveness within BCRC is HUGE.* Our program fosters an attitude of sharing, team building and service to others with an emphasis on giving back by helping those in need.

Everything BCRC offers is with the conviction that through Jesus Christ all things are possible and that by accepting Him as LORD and Savior, sins are forgiven. GOD is an integral part of the recovery process, certainly in having a life free of drugs and alcohol. The BCRC men come to glorify and serve Him thus creating a foundation for a successful long term recovery.

BCRC endorses and supports area 12 step programs and also participates in Celebrate Recovery at Beach Assembly Church of God. The men who complete the BCRC program regain self-respect and become much more confident. They understand the role they play in their perilous journey to recovery, a journey now more likely to succeed by being Spirit filled and under GOD's direction. Thank you LORD for these and all your Blessings!

All for the Glory of GOD!*
